

Membership in one of the regional organizations linked with NBK, happens by being judged on all levels of the artists skills. The criteria for membership are there to make sure the members of the organizations are all professional working artists.

It is therefore important that the applicant has completed his/hers art education, or can show a substantial body of work as well as activity on a professional level.

The criteria for judging the applicants are:

- Education
- Artists activity
- Commissions
- Being bought by
- Grants
- Awards
